## Capabilities Statement

Eco is a full-service turnkey minority owned and operated IBEW Local 134 Electrical Contractor expanding in the electrical industry since 2008. We specialize in energy efficient upgrades for commercial, educational, industrial and private businesses, and don't let the name fool you, we provide a wide range of electrical work.

Eco has over 150 years combined experience in the electrical industry. Our highly professional staff will take care of your indoor and outdoor electrical needs. From the initial free energy assessment to the installation of materials, we offer competitive pricing with the highest quality of service.

We are committed to safety advancements and strive for 100% customer satisfaction.

We are trade allies with Com Ed and offer their incentives to your business.

**We are currently minority certified as WBE, DBE, SBE, WOSB, IPG, BEP and Capital Development Board.**

**ECO stands for:**

**E**= Excellence in performing work and meeting our clients' criteria.

**C**= Customer service satisfaction 100% in all areas

**O**= Optimum quality of material and installation.
