## CAPABILITIES STATEMENT

### ABOUT ELS-T

ELS-T is a full service electrical contractor that has been in business for over 15 years'. We specialize in energy efficient measures in the commercial industry. We offer competitive pricing with the highest quality of service. Our highly qualified staff with over 100+ years' experience takes care of your electrical needs from the initial free energy assessment to the installation of materials.

### DIFFERENTIATORS

ELS-T's past completed projects have been nearly 100% accurate and consistent with work we have completed, the first time around. We have success providing assistance with product selection, a Return On Investment analysis, & energy/cost savings.

During construction, ELS-T works closely with our client to develop a detailed schedule that minimizes disruption and maximizes efficiency.

ELS-T offers maintenance contracts as well and we own our own fleet of trucks for service and outdoor work to save as much money as possible.

We have been a trade ally with ComEd since 2008.

We are ICC certified in EE, EV and DG to aid with getting you the most amount of incentives possible.

We believe in helping those in need so we donate to many different charities.

We are affiliated with A.S.A., NALMCO and AEE.
